

NADIM KAMEL

Professional Website developer

☎ 01065597839

✉ Nadimkamel@kamelalaadly.com 📍 Block 46 District 9 Nasr city

ABOUT ME

Front-end developer with hands-on experience building responsive, accessible web applications using HTML, CSS, JavaScript, and React. Skilled at turning UI/UX designs into clean, maintainable code and creating smooth user experiences. Experienced in working with web hosting, domain management, Shopify stores, and website deployment workflows. Comfortable using version control tools, modern development practices, and collaborating in agile, team-based environments.

EDUCATION

Ahmed Zewail Language School | Graduated 2023

General Secondary Education Certificate (Thanaweya Amma)

Focused on developing strong academic foundations, communication skills, and teamwork through a language-based educational environment.

Arab Academy for Science, Technology & Maritime Transport | 2024 – Present

Bachelor's Degree in Computer Science

Currently studying Computer Science with a focus on software development, web technologies, problem-solving, and modern computing concepts. Actively developing practical projects and expanding skills in front-end and full-stack development.
